

Riverside County Barrel Racers

Request for a Substitute Horse or Substitute Rider (Transferring Points)

You are entitled as a member, to transfer points ONE TIME ONLY (but it can be more than one consecutive race) however, you must provide a reason. That means that you may substitute either another horse to ride because your point horse is sick or injured, etc. or you may substitute a rider onto your point horse because you are sick or injured. This form must be filled out PRIOR to you running. Please turn this form in along with your entry form. It is your responsibility to make sure your points are transferred correctly. Substituting horse or rider for points is a privilege, do not abuse it please. The RCBR has the right to refuse to transfer points if your reason is not deemed appropriate or fair. You may be asked to turn in a vet slip/doctor's note to prove your statement, so please include it with this form if possible.
